

FAST FACTS as of July 2025

Institution:	Stevens Institute of Technology	Institution Type:	4 Year College
State:	New Jersey	Term Type:	Semester
Location:	Hoboken, NJ: Approximately 3 km from Midtown Manhattan and 16 km from Newark Liberty International Airport.		

Description:

Stevens Institute of Technology is a premier, private research university in Hoboken, New Jersey, overlooking the Manhattan skyline. Since its founding in 1870, technological innovation and entrepreneurship have been the hallmarks of Stevens' education and research. Within the university's three schools, Stevens prepares its more than 8,000 undergraduate and graduate students for an increasingly complex and technology-centric world. Academic and research programs spanning business, computing, engineering and the arts expand the frontiers of science and leverage technology to confront the most challenging problems of our time.
